

CHAIN

Cambodian
Higher education Advancing
in Internationalisation

Introducing and developing internationalisation strategies in Higher Education Institutions in Cambodia to promote international cooperation and student exchange.

Removing borders

Widening the mind and the spirit of Next Generations

Encouraging transformation

CHAIN will improve cooperation among Higher Education Institutions at the national level on internationalisation issues and increase the number of Cambodia's international activities by:

- Consolidating internationalisation structures and HEI's human capacities building by means of targeted training programmes in 6 HEIs.
- Accompanying the governance reforms of the Ministry of Education, Youth and Sports of Cambodia (MoEYS).
- Enhancing international networking through strategic actions in key areas of the Cambodian Higher Education system.
